- Panchayat union councillor

Aim:

To make citizens of our state know how much the amount spend by the government of tamilnadu for environmental goodness.

- Letting them know the amount allotted for each and every districts, corporations, municipalities, wards and villages.

- Letting them grievance on any government servants including politicians viz.. Chairman, ward councilor, panchayat officers etc in all departments like health, education, transportation etc.

Web application structure and features:

The application contains user login and admin login.

Admin login is to send the SMS to the citizens and user login is for citizens who can complaint and know the details of each and every government servant.

Sending SMS to each and every citizens of the State:

- The SMS includes the amount allotted for that ward
- Includes the Amount spend on that ward by the respective ward councilors

Compliant portal:

- Citizen can compliant on the illness of road, street lamps, ditches, canals, mosquito, Electric cables etc which comes under facility complaint portal.
- And the complaints about irresponsible government servants , corruption etc comes under Corruption compliant portal.

NOTE:

- Politician having more number of complaints will not be allowed to take part in next election. The participation eligibility of the candidate depends on the reviews and ratings He/she got in this web portal. Having a score of 8 or above out of 10 is mandatory.
- Other department servant in water supply, human rights, RTO, health, education, fishery, Will be issued fine amount for each and every complaint they get. Serious complaints will be monitors and it may leads to immediate termination.

COMPLAINING PROCESS:

- Citizens can type their grievance either can upload as letter.
- If they have any other documents related to their complaint , they can attach them.
